

Planet Enviro Services

We Make Better Environment

 www.planetenviro.in

ABOUT US:

Planet Enviro Services, a Pune-based environmental consultancy, is an ISO 9001:2015 certified company and works in association with NABET-accredited EIA consultants. We are committed to delivering sustainable and innovative environmental solutions through comprehensive consultancy, engineering, and project management services. With a strong focus on regulatory compliance and sustainability, we continuously strive to uphold the highest standards of quality and environmental stewardship. Our expert team brings extensive experience in Environmental Impact Assessment (EIA), Pollution Control, Waste Management, Water & Wastewater Treatment, and Environmental Clearances. Through cutting-edge technology and sustainable practices, we help industries minimize their ecological footprint and move toward greener growth. We provide end-to-end solutions, including the design, installation, and operation of pollution control systems, making us a one-stop destination for all environmental compliance needs. Our vision is to be a trusted partner in building a cleaner, greener, and more sustainable future.

OUR VISION

To Provide the Best Environment for next generation to Live, Explore, and Cheer its Beauty. Planet Enviro is Committed to Protect Our Mother Planet Earth to Promote Non-Conventional Source of Energy for Green & Clean Environment. Planet Enviro is Dedicated to "Create Ecosystem for World Class quality.

OUR MISSION :

Our goal is to deliver creative and economical environmental solutions that are customized to meet our clients' specific requirements. We are dedicated to reducing environmental impact, preserving natural resources, and fostering beneficial outcomes through our deep knowledge, extensive, and advanced technologies.

OUR EXPERTISE:

Environmental Clearance (EC) & Environmental Impact Assessment Study (EIA):

Our Team Conducts Thorough Assessments, to Evaluate the Potential Impact of Proposed Projects on the Environment, Ensuring Compliance with Regulatory Standards and Promoting Sustainable Development.

Sustainability Consulting:

We Work with Organizations to Develop and Implement Tailored Sustainability Strategies, Helping Them Integrate Environmentally Friendly Practices into Their Operations, Reduce Waste, and Enhance Overall Efficiency.

Environmental Due Diligence:

Direct, Independent, Reliable and Fact-Based Assistance in Understanding the issues Faced in Our Project and Business. Which are Then Dealt with, Managed and Resolved with Appropriate Solutions.

CRZ Clearance:

We Assist the Clients for The CRZ Guidelines Published By MOEFCC. We Conduct Site Visits, Assessment Studies, Documentation for The Town Planning Authority, The Urban Development Department and Environmental Department.

Environmental Compliance:

We Assist Businesses in Navigating the Complex Landscape of Environmental Regulations, Providing Guidance and Support in Achieving and Maintaining Compliance with Local, Regional, and International Regulations.

Environmental Monitoring and Testing:

Our State-Of-The-Art Equipment and Expertise Allow us to Conduct Comprehensive Monitoring Programs, Analyzing Air, Water, Soil Quality, And Noise Levels to Assess Environmental Conditions Accurately.

Six Monthly Post EC Compliance:

As An Environmental Consultant, We Provide Post Environmental Clearance (POEC) Services to Ensure Compliance of Statutory Requirement and Seamless Success of the Project.

Water and Wastewater Treatment Solutions:

Planet Enviro specializes in providing efficient STP (Sewage Treatment Plants), ETP (Effluent Treatment Plants), UF (Ultrafiltration), and RO (Reverse Osmosis) systems. We offer customized solutions to ensure high-quality water treatment, compliance with regulations, and sustainability for industrial and public sector clients.

ENVIRONMENTAL SERVICES

- Facilitate and Obtaining Environmental Clearances for All Applicable Projects
- Environmental Impact Assessment (EIA) Studies
- Coastal Regulation Zone (CRZ) Clearances
- Forest Clearances
- Post-Environmental Clearance Compliances
- Certified Compliance Reports from the Regional Office of MoEF&CC
- Preparation of Environmental Management Plan (EMP)
- Preparation of Construction Environmental Management Plan (CEMP)
- Environmental and Social Due Diligence
- Environmental Due Diligence (Phase I & Phase II)
- Environmental Site Auditing and Green Audits
- Environmental Remediation Assessment
- Preparation of Environmental Statement & Compliance Reports
- No Increase in Pollution Load Certification
- Solid Waste Management Plan Preparation
- Disaster Management Plan Preparation
- Traffic Impact Assessment (TIA) Studies
- Geo-Hydrology Studies
- Socio-Economic Impact Assessments and Demographic Surveys
- Health and Safety Audits for construction and industrial projects
- Preparation of Detailed Project Reports (DPRs) for industries and treatment facilities
- NOCs/Clearances for Sewer, Storm Water Drain, CFO, Aviation, Tree Cutting, etc.
- Energy Conservation Building Code (ECBC) Compliance

CONSENT MANAGEMENT AND COMPLIANCES

- Consent to Establish and Consent to Operate from SPCB
- Product mix under No Increase in Pollution Load (NIPL)
- Environment Statement (Form V)
- Hazardous Waste Return (Form IV)
- EPR Approval for All Business
- Amendment in Consent
- E-Waste Annual Return Form - III
- Half Yearly Battery Waste Return Form - VIII
- Hazardous Waste Authorization

OTHER LEGAL COMPLIANCE SERVICES

- CGWA NOC for Ground Water.
- DISH - Factory Plan Approval.
- Factory License Approval & Renewal.
- PESO - Plan Approval.
- PESO License for Storage.
- Fire Safety NOC Service

SUSTAINABILITY SERVICES

- EGS & Sustainability Reporting as per International Standards (GRI, SASB, TCFD, CDP, etc.) & Preparation of Business Responsibility and Sustainability Reporting (BRSR)
- Life Cycle Assessment (LCA) of products and services (Cradle to Gate/Grave) and EPD Certification
- Green Building Certification & Compliance (LEED, IGBC, Eco Housing and GRIHA etc.)
- GHG Accounting and Reporting
- Carbon Border Adjustment Mechanism (CBAM)
- Net Zero Strategies, SBTi Target Setting & Advisory ESG/Sustainability Policies & Frameworks development
- Building Performance Simulation
- Energy Audit, Water Audit and Sustainability Report

ENVIRONMENTAL MONITORING

- Environmental Monitoring - Air, Soil, Water & Wastewater Monitoring Services
- Climate Research Lab – GHG Monitoring & Analysis

WASTE WATER TREATMENT

- Sewage Treatment Plant.
- Effluent Treatment Plant.
- Single & multiple effect Evaporators.

WATER TREATMENT PLANT

- RO Plants (Reverse Osmosis Plants)
- Demineralization (DM) Plants
- Softening Plants / Water Softeners / WTP

AIR POLLUTION CONTROL EQUIPMENT'S

- Wet Scrubbers
- Dust Collectors
- Bag Filters
- Cyclone Filters
- Fume Extractors

OTHER PRODUCTS

- Organic Waste Converter Machines (OWC)
- Water & Waste Water Treatment Equipment'
- Online Continuous Emission Monitoring System
- Spare & chemicals
- Rainwater Harvesting Systems / RWH Projects

We Provide

- | | |
|----------------------------|--------------------------------|
| • Building & Construction | • Townships & Area Development |
| • Mining | • Chemical Fertilizers |
| • Sugar Industry | • Distilleries |
| • Metallurgical Industries | • Textile |
| • Automobile | • Refinery & Petrochemical, |
| • Food Processing | • Food & biotech |
